TENDER NOTICE

This company has shipyards located at Bhavnagar & Chanch, on the western bank of Gulf of Cambay in Gujarat in India. This company has recently entered into an agreement with Ministry of Defence, Govt of India for Design & Construction of Six Survey Vessels for Indian Navy. Superstructure of above vessels is constructed of Marine Grade Aluminum.

Technical offers are invited for the pre-qualification of the vendors for supply of complete marine grade Aluminum kits duly CNC Cut as per production and nesting drawings, supplied by AAGL and supplied with Laser/Inkjet identification marks for panel fabrication and block assembly of the vessels' superstructure.

Interested vendors may submit their expressions of interest along with technical offer for pre-qualification to reach our office on or before July 25, 2007. For more information visit our website www.alcockshipyard.com/business.
